

## **The Alliance Memory Quality Policy**

Alliance Memory is committed to satisfying our customers. We achieve this by meeting their needs and exceeding their expectations through error-free competitive products, on-time delivery, and customer service that sets the standard for our industry. We are committed to the continual improvement of the effectiveness of our quality management system, and the EICC Code of conduct (V5.0)

David Bagby, President & CEO 10-1-2015
