Dear Valued Customer:

This letter provides End–of–Life (EOL) notice of SDRAM products with an 256M density. These products will move to new 'A' die revision in Q1-2017.

The delivery deadline is June 30th, 2017 with last time buy (LTB) deadline on December 31st, 2016. Please note that the standard shipment dates will apply in general and extended delivery dates must be pre-arranged and accepted in writing by Alliance Memory Management.

Please see the below comparison between the current die rev and the new A die. Samples will be available on December 31st, 2016.

Please contact your local Alliance Memory representative if you have any questions regarding this information.

Yours sincerely,
